

INTERVIEW TIPS

RESEARCH THE COMPANY

By researching the company before you go for an interview, it gives you an understanding of the company and its culture.

DO A TEST RUN OF THE ROUTE TO GET TO YOUR INTERVIEW

By doing a test run of the route, it ensures you to have an idea of how to get there and how long it will take. This will remove any added stress on the day of your interview. Bare in mind the time of day that you travel could impact your travel time.

FIRST IMPRESSIONS COUNT

During your Interview, the first 7 seconds is what your interviewer will remember as your first impression.

76%

Of people don't get hired based on how they dressed in their interview.

INTERVIEW PUNCTUALITY

Arrive 10/15 minutes early for your interview. This allows you to compose yourself before the interview.

45

Minutes is the average time of how long an interview lasts.

KEEP YOUR CV UP TO DATE

Updating your CV regularly allows you to be prepared for any job opportunities you may wish to apply for.

DRESS APPROPRIATLY FOR YOUR INTERVIEW

Ensure you dress for the role that you have applied for.
